

Free Day at Cirque

A special treat is available to individuals with Down syndrome and One (1) guest...the opportunity to spend an afternoon and evening backstage and in the audience with Cirque du Soleil at a performance of La Nouba at Downtown Disney.

Your day (usually a Tuesday) begins promptly at 2:45pm with special entrance to watch the show's breathtaking acrobats run through their 3pm training session. Then enjoy a backstage tour at 4pm before enjoying some time on your own before returning at 5:15 for a backstage tour with performer Justin Osbourne. Then it's off to your VIP seats at 6pm for showtime!

Due to the length and nature of the show, we recommend this outing for individuals ages 9 years old and up.
